REQUEST FOR EVENT HOLE-PUNCH PERMITS

Name: _____

Address (one application per household, please): _____

Phone Number: _____

Email Address (if applicable): _____

Nature of Event: _____

Date of Event: _____

Number passes requested: _____

A parking permit or pass allows bearers to park on-street during “no parking” times. Bearers are, however, still subject to parking laws by which all citizens must abide. These laws include, but are not limited to, the forbiddance of parking within 5 feet of a driveway and in front of a fire hydrant.

I am aware that vehicles parked on the street in my neighborhood during managed parking times will receive a ticket, unless it bears a legal parking permit or pass.

I am aware that, though a car is required to use a pass on streets during managed parking times, my vehicles and guests’ vehicles may be parked on my property at no penalty to me or visitors.

I acknowledge that abuse of issued passes, including but not limited to selling, renting, and counterfeiting of parking passes, may result in the revocation of my permit(s).
